

Give to Tomorrow:Today Foundation through ShareGift Australia

Donate shares

ShareGift Australia is a not-for-profit organisation that makes it easy for people to donate shares to charity. Through ShareGift Australia you can 'convert' your shares into charitable donations without needing to engage a stockbroker or pay brokerage fees.

You can recommend the charity you would like to benefit provided the value of the shares you donate is more than \$50.

For Benalla and District

If you would like the Benalla and District community to benefit from the shares you donate, you should nominate '**Foundation for Rural & Regional Renewal Public Fund – Benalla & District**' on your form.

This is because support can only be provided to charities with special tax status (Item 1 DGR). The Foundation for Rural & Regional Renewal (FRRR) is able to receive these tax deductible donations for the benefit of regional communities. Tomorrow:Today Foundation has established a regional donation account with FRRR solely for the benefit of the Benalla and District community.

All you have to do is complete and sign the Share Sale Donation Form including the nominated charity and send it to ShareGift Australia either via email info@sharegiftaustralia.org.au or post to GPO Box 4370 Melbourne VIC 3001.

The Board of ShareGift Australia takes into account all recommendations when considering their quarterly distribution payments to charities. ShareGift Australia will not give out any of the donor details to the recommended charity. It is entirely up to you whether you wish to make contact or remain anonymous.
